Bachelor of Arts in Economics | Minor in Environmental Science | GPA: 3.7, Cum Laude

Certificates: Business Certificate in Finance & Banking

Relevant Coursework: Econometrics, Monetary Theory, Game Theory, Environmental Economics

Worcester, MA

May 2026

PROFESSIONAL EXPERIENCE

Ithaca Clean Energy

Data & Operations Intern

New Bedford, MA

June 2025 - Present

- Refined two NLP models used by commercial fishermen — improving transcription accuracy by ~20% through targeted vocabulary expansion and error analysis.
- Built and validated a prospective clients list by scanning port directories and contacting 30+ potential partners around New Bedford and Fairhaven, supporting business affairs.
- Created value proposition templates to pitch to potential clients and adapted for different industries / geographies.

Natixis Investment Managers

Research Assistant

Boston, MA

June 2024 - September 2024

- Analyzed daily and weekly ETF price behavior to identify leading indicators and signals in short term performance models.
- Developed & tested prediction strategies and presented findings to a supervising Vice President.

TECHNICAL PROJECTS

Climate Transition Risk & Valuation Model | *Python, Streamlit, Pandas, OLS Regression*

- Engineered an interactive multivariable OLS regression engine merging US EPA Scope 1 facility emissions with financial fundamentals to quantify how equity markets price carbon transitional risk.
- Built a stress-testing framework to evaluate corporate EBITDA against hypothetical federal carbon taxes.
- Deployed a live Streamlit app allowing users to manipulate tax parameters and project margin impacts

ETF Sentiment & Price Behavior Analysis | *Python, FinBERT NLP, PostgreSQL, GitHub Actions*

- Developed an automated NLP pipeline using Hugging Face FinBERT to score daily financial headline sentiment.
- Engineered GitHub Actions cron-jobs to ingest RSS feeds and yfinance data into a PostgreSQL database.
- Deployed a live Streamlit dashboard to analyze if aggregate sentiment acts as a leading indicator for major indices

LEADERSHIP & INVOLVEMENT

Fullbridge Professional Edge Program

Student

Worcester, MA

September 2023

- Completed an intensive professional simulation covering finance, marketing strategy, and innovation.
- Evaluated company data and researched competitors to propose a new go-to-market product for Under Armour
- Presented final strategy as external consultants with a growth plan for Under Armour

College of the Holy Cross Activities

Worcester, MA

Sept 2022 - May 2026

- **Finance Club:** Analyze macroeconomic events, equity movements, and attend alumni lectures
- **SHAPE Peer Educator:** Certified in CPR/QPR; design workshops and provide emergency event assistance.
- **Club Tennis (Secretary):** Coordinate logistics, manage equipment, and facilitate student government relations.
